The Org Manual: Tables

The table is a basic piece of household furniture. It generally consists of a flat top that is supported by either a set of legs, pillars, or trestles.

Standard Tables - Columbia University

Fusion tables : Convertible in just seconds, the Fusion table transforms a design dining table in a high quality billiard or game table. Created by Aramith, long-time leading manufacturer in the billiard industry, the Fusion dining table innovates by adding multi-functionality as it combines a dining table, a pool table and a game table all in one
